S•CAB range has 5 main categories of products:

- 1 **Tables and Bases,**
- 2 **Technopolymer,**
- 3 **Wood,**
- 4 **Mild steel,**
- 5 **Polycarbonate**

From these main categories other "Hybrid" combinations are generated, combining different materials to obtain new products.

MADE IN ITALY

Design to love, since 1957

Unique design

S•CAB is keen on the beauty of designing its products, as it uses world-famous designers who specialize in the field of furniture. S•CAB has an interior design studio called "Centro Style S•CAB", and it also deals with international design studios and famous designers to create new and unique ideas.
